

YHA Haworth - Access Statement

Introduction

If you're looking for a bit of history in Yorkshire, then YHA Haworth is the perfect place. The building is a Victorian mansion set in its own grounds overlooking the village. Nearby is the village parsonage where the Brontë sisters lived and wrote, along with many great routes for hiking and cycling in the area.

We aim to cater for the needs of all visitors in this 88-bed hostel; a 3-storey building set in the wild Pennine moors. We have two ground floor rooms. One is accessible and there is an accessible bathroom in the corridor nearby.

We look forward to welcoming you. If you have any queries or require any assistance please phone 01629 592700 or email customerservices@yha.org.uk. You can also take a virtual tour of our hostel at www.yha.org.uk/hostel/haworth.

Pre-Arrival

- The nearest national rail station is Keighley which is 3.3 miles away. Additionally, 0.5 miles away in the centre of the village is a station of a steam railway which runs between Oxenhope and Keighley at weekends and every day in the summer and other school holidays.
- The nearest bus stop is within 350 metres of the hostel. There is a daily bus service which usually runs accessible buses to this stop.
- A local taxi company can provide accessible taxis when booked in advance. Please see the contact information section for more details.
- Roads in Haworth can be steep. The bus stop is on the B6142 which is moderately inclined here. Longlands Drive also slopes moderately up to the hostel driveway. There are pavements and street lights up until here.
- The driveway is evenly surfaced with tarmac, but there is no pavement. It is approximately 80 metres long; it begins with a very gradual slope and then becomes level.
- The hostel's details can be seen on YHA's website www.yha.org.uk; please click on the Maps and Directions tab to view a map and transport options.
- You can contact the hostel by phone or e-mail (please see contact information).

Car Parking and Arrival

We have ample parking just outside the building. There are no marked bays, but we would be happy to reserve you a space close to the main entrance. The car park is level and surfaced with gravel. It is lit by external floodlights on the building.

Guests can also be dropped off in front of the main entrance. The gravel leads right up to the hostel entrance and in the porch there is tarmac. If you let us know what time you are coming we will do our best to provide assistance moving to and from cars.

Main Entrance and Reception

From the porch there is a 3cm sloping step and then a set of manual double doors which open inwards to the entry hall. There is then another set of double doors which are permanently open leading into the reception lobby.

The reception lobby is level throughout and is well-lit with ceiling lights. There is a wooden parquet floor. There is a portable induction loop available on request at reception, as well as a vibrating pillow alarm. A payphone is also available in this area. A chesterfield 3-seater sofa is available for guests to use.

Public Areas

Halls and Corridors

There is good colour contrast to floor, walls and doorways throughout the building. All public areas, halls, stairs and landings are well lit using a combination of ceiling and wall lights.

The corridors on the ground floor are either polished wood or carpet. The corridors on the upper floors are carpeted.

Unfortunately we do not have a lift, so access to the upper floor is by stairs only. The staircase is wide and carpeted, and has a bannister on one side.

Public WCs

There are two unisex WCs on the ground floor. From reception there is level access through a set of double doors and then a single leaf door. Neither meets modern standards of accessibility. They are both well-lit and have non-slip flooring.

Additionally, there is an accessible bathroom with a toilet. Transfer is left-handed onto the toilet.

Our lounge is located on the ground floor and has level access from the reception lobby via a single leaf door. The floor is level throughout and carpeted. It is well-lit with ceiling lights and we also have a roaring open fire in the winter.

The room is furnished with coffee tables, sofas and chairs with and without armrests. The furniture is all well-spaced. All furniture can also be moved; please just ask at reception if you require assistance.

Dining Room

The dining room is located on the ground floor and has level access from the reception via a single leaf door. The floor is level throughout and the room is well-lit with ceiling lights. The flooring is wood effect vinyl.

There are dining tables and straight backed chairs without armrests. All furniture can be moved; please just ask at reception if you require assistance.

Table service is available; please ask at reception and we will be happy to help. We are also happy to cater for dietary requirements or any particular likes or dislikes. Please advise us of these before your arrival.

Self-Catering Kitchen and Dining Room

The self-catering kitchen is located in the basement. There is step-free access from the back garden down a steep tarmac slope. There is then a single leaf door which opens outwards. The kitchen is level and has non-slip flooring.

The kitchen is equipped with two catering size sinks, with drainers, a microwave, a water boiler, a toaster, two fridges, two standard electric domestic cookers, with ovens hobs and grills, and a cordless kettle. Crockery and some kitchen equipment are kept in high shelving units. We would be happy to move these to lower storage if required.

Laundry and Drying Facilities

The laundry room is also located in the basement. The floor is level and surfaced with non-slip lino. There is a token operated washing machine available here.
